Notes:

Niobrara Community Hospital\*\*\* 20 beds are actually intermediate swing beds as they do not offer LTC of SNF beds all within the hospital

Service Population may either be the county population or an actual number given by the hospital administration

The square footage shown is only hospital spaces and does not include any clinic or nursing home space.

Management is by employed CEO if no management company is listed.

See accompanying "Modest in Size and Scope Narrative".

The above data was chiefly compiled by Lorraine Gatzke, Finance Director of SCRHCDC. See accompanying sheet titled: "Source of Data for Wyoming Critical Access Hospital Data"
